Dr. Michael D. Sander, Superintendent

150 East Sixth Street Franklin, OH 45005

Press Release | January 25, 2018

FRANKLIN, OH- Around 9 pm on Wednesday January 24th, Franklin High School Administration was alerted to potentially threatening comments made by a Franklin High School Student. Allegedly, the student made a threatening comment and warned a student not to come to school on Thursday January 25th. Franklin Police Chief Russ Whitman was immediately notified and conducted an investigation in conjunction with Mrs. Fromm, FHS Principal, and Dr. Sander, Superintendent. Franklin Police Department interviewed witnesses and the suspect, and as of 12:10 am, Chief Whitman alerted FHS administration that the allegations of threats to FHS students were unsubstantiated.

The student who allegedly made the threat is not in attendance today, and will not return to school until the investigation is concluded. At that time, Franklin High School Administration will take appropriate action. Once the investigation concludes, we will release an updated statement. At this time, all students at FHS are safe, classes are going on as scheduled, and the investigation is ongoing.

Mrs. Kelli Fromm
Principal
Franklin High School
